*Proceedings of the Madras Government, Public Works Department,
21st April 1876.*

No. 300. Read the following letter from A. C. LAWFORD, Esq., District Engineer, South Canara, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Mangalore, 12th April 1876, No. 3:—

With reference to G.O., No. 3,002, of 27th October 1875, I have the honor to request you will be so good as to inform me whether any rent should be collected from Mr. Supervisor J. M. D'Mello on account of the Overseer's shed at Cundapoor, which, it is reported, is used by him as his dwelling-house and office.

2. This shed appears to have been built in the year 1858-59, at a cost of Rupees 100, but a small addition was subsequently made in the year 1867-68, at a cost of Rupees 70-10-1, after Cundapoor was made the head-quarters of the Cundapoor Range. Since which time it was used by the Range Officers both as a Range Office and their residence.

3. After the Cundapoor Range was amalgamated with that of Mangalore in the year 1871-72, the building was again occupied by Mr. D'Mello, he then being the Overseer in charge of the Cundapoor and Udipy Taluqs. Such being the case, when Mr. D'Mello was made Supervisor and placed in Cundapoor Sub-division as a Sub-divisional Officer, he continued its occupation, a portion of it being exclusively used for his office. He reports that the sum of Rupees 184-8-1 has been spent by him from his own pocket, subsequent to his promotion, in effecting certain improvements, such as sinking a well in the compound, and improving the out-houses.

4. It also appears probable that some other improvements must have been made to the building either from the savings of the funds annually allotted for its monsoon repairs or from maintenance grants of roads, for the value of the building, as now estimated by Mr. D'Mello under my orders, amounts to Rupees 372, exclusive of the sum of Rupees 184-8-1 noted in paragraph 3.

5. *Under G.O. No. 2,464, of 14th October 1870, the Overseers' sheds were allowed to be used free of rent. Mr. D'Mello states that under this impression he spent the above-mentioned sum.

6. If Mr. D'Mello is to pay the rent, I request to know whether the amount spent by him should be reimbursed to him, and thus the value of the building with out-houses, &c., raised from Rupees 372 to Rupees 557, or in round number to Rupees 560.

7. It would seem unadvisable to charge rent, for that of the next six years would only cover the sum to be reimbursed to Mr. D'Mello.

No. 301. ORDER THEREON, 21st April 1876, No. 1,007.

ACCOUNT, No. 18.

RENT will be charged at the rate of Rupees 36 per annum, or Rupees 3 per mensem on the portion of the shed occupied as a residence. The Supervisor will neither be reimbursed the amount that he
