*Proceedings of the Madras Government, Public Works Department,
24th April 1876.*

No. 319. Read the following letter from J. D. GRANT, Esq., Officiating District Engineer, Tinnevely, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Palamcottah, 5th April 1876, No. 8 :—

I HAVE the honor, in accordance with the pencil note on G.O., No. 580,* of 3rd March 1876, to return to you five copies of G.O., No. 580, of 3rd March 1876, and in doing so would beg the favorable consideration of Government to the case of one Lalamiah Saib, now a Clerk on Rupees 20 salary in the Tinnevely Range.

* As revised.
5 Copies of G.O., No. 580, 3rd March 1876.
1 Service Register.
1 Application.

2. This man who is unpassed, in August last year, requested that his case might be represented and exemption from the necessity of passing the examination granted him; but I then declined to do anything, as there was a general expectation that the Account Department was to be in some way modified, and I intended, when these modifications came into force, to make an application on his behalf.

3. Government Order, No. 580, of 3rd March 1876, now however disposes of any chance of exemption, unless, after consideration of the circumstances, Government is pleased to make this a special case.

4. The Writer in 1860 was an apprentice under Colonel Winscome, and up to 1864 drew from Rupees 7 to Rupees 13 pay; in 1864, however, he lost his post, owing to the establishment being reorganized. Since 1865 he has been a Writer, and has consequently eleven years' service, without any prospect of further advancement, unless specially exempted from passing.

5. From his Service Register, which is enclosed, it will be seen that he is well spoken of by those officers under whom he served, and the Tinnevely Range Officer under whom he now works recommends that his application be forwarded.

6. I have for a year past had many opportunities of judging of his qualifications, and would not urge his claim unless I felt that he is a deserving man, well up in his work, and fit for a higher post.

7. He is in addition one of the few Mahomedans employed here in any but petty grades, and one of the still smaller number who give satisfaction.

8. In order that it may be possible in some degree to judge of his qualifications, I enclose his original application, and in conclusion I beg to state that this is the last occasion on which I shall make a similar application in this district, there being no other men I could recommend.

No. 320. ORDER THEREON, 24th April 1876, No. 1,018.

ESTABLISHMENT, No. 24.

THE orders of the 3rd March 1876, No. 580, cannot be relaxed. The recommendation made must accordingly be declined.
