Specification Report to accompany the Estimate
for constructing Police Station for 6 constables
and one Head constable at Rathapuram.

1. Amount of Estimate Rupees 2000-0-0.
2. The Estimate is now prepared according
to the Standard Plan which accompanied
the G. O. No 1462 dated the 2nd February 1874.

Brick work
in mortar

3. The foundation, basement & superstructure
of pillars consist of sound and well burnt
bricks of Government size in mortar prepared
in proportion of one of lime to 1 1/2 of sifted river
sand well mixed & pounded together.

Mud wall

4. The foundation, basement & superstructure
of walls between pillars to be of hard soil
well excavated mixed with good water well
tempered left one or two days & then used.

Mud Plastering

5. The wall to be plastered with a mixture
of clay, sand and cow dung, no less
than 1/6 of the whole mixture being cow dung.
This to be applied to the walls and rubbed
smooth. After drying a thick coat of
whitewash should be made over.

Flooring

6. To consist of broken brick and gravel
3" deep well watered and tamped and
smeared over with clay.

Roofing

7. The Roof to be of jungle wood couples
with single collar piece, bamboo reapers,
nails, and pan tiles, chunnam borders to

ridges and eaves complete. The couples should be of good wood. The tiles to be laid with $\frac{2}{3}$ overlap of the length. The ridges to be made water tight with mortar and chum and borders to be laid to run round the edges and eaves.

8. To be good country wood, well seasoned and free from knots and other defects clean wrought and finished and to be of the scantlings provided in the estimate.

9. To be made to doors and windows to be made of wood above mentioned and the shutter of mango planks. The doors to be fitted with hooks, hinges & bolts &c.

10. All the lime used in the work to be stacked after delivery in the spot.

11. All the rejected materials whether stone, brick, lime, kuppas &c if not at once removed by the individual contracting for the same will be carted away at his cost.

Witnessed by
District Engineer & Surveyor.
