*Proceedings of the Madras Government, Public Works Department,
25th April 1876.*

No. 358. Read the following letter from Major J. BEATTY, R.E., District Engineer, Godavery, to Major-General G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Dowlaishweram, 27th March 1876, No. 3,796 :—

At the request of Mr. W. B. deWinton, Assistant Engineer in charge of Eastern Sub-division, No. 3 Range, I have the honor to forward, for favorable consideration, that Officer's application for an advance of Rupees 600, to enable him to purchase a second horse and tent, which he proposes to repay by monthly instalments of Rupees 50.

2. Mr. deWinton, when in the Kistna District, was stationary for the greater part of the year, and found one horse and tent ample for the work he had to do there, but he finds them totally insufficient for the large amount of travelling he has now to get through, hence his request for an advance.

From W. B. DEWINTON, Esq., Assistant Engineer in charge of Eastern Sub-division, No. 3 Range, Godavery District, to Major J. BEATTY, R.E., District Engineer, Godavery, dated Camp at Chettipett, 14th March 1876, No. 13.

I HAVE the honor to request that you will be so good as to make an application to Government on my behalf for an advance of Rupees 600, to be recovered by monthly instalments of Rupees 50, to enable me to purchase a second horse and tent. When I first arrived in Bombay in November 1874, I received an advance of Rupees 400, which was barely sufficient to defray the cost of one horse and one tent. These were ample for the work I had to do in the Kistna, as I was stationary for the greater part of the year. But I find they are totally insufficient for the amount of travelling I have now to do, and it is impossible for me to buy a second horse and tent out of my monthly pay. I trust, therefore, that Government will see that my application for an advance is made on good grounds, and will be good enough to grant it.

REFERRED to the Examiner for information as to previous advances and their liquidation.
