B.P. No.			Mis.
Dated	1-5-	1876.

*Proceedings of the Madras Government, Public Works Department,
1st May 1876.*

Read the following letters:—

No. 7. From Lieutenant-Colonel R. F. OAKES, R.E., Superintending Engineer, Tanjore, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Negapatam, 2nd February 1876, No. 157.

In forwarding a bill of Rupees 34-3-0 for the charges incurred by Mr. Assistant Engineer J. E. Paul, for the conveyance of his pony by rail from Madras to Tanjore, for the sanction of Government, I have the honor to inform you that Mr. Paul was obliged to procure a pony at Madras, as there was no prospect of his being able to obtain one in Tanjore, and I presume that G.O., No. 2,810, of 29th September 1875, is intended to apply to cases in which Assistant Engineers have but short distances to go to join their appointments, otherwise the effect of the order would be to render the Assistant Engineers useless for a time or until their horses could be marched from Madras to the stations to which the Assistant Engineers had been posted.

No. 8. From Major J. BEATTY, R.E., District Engineer, Godavery, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Dowlaishweram, 17th March 1876, No. 3,710.

I HAVE the honor to report that Mr. H. S. Taylor, Assistant Engineer, who was posted to this district in December, having had his horse conveyed from Madras to

Cocanada by steamer, the freight he paid for the horse, viz., Rupees 50, was claimed in the No. 1 Range travelling allowance bill for December 1875. The Examiner of Public Works Accounts, however, disallowed it under G.O., No. 2,810, dated 29th September 1875.

2. As Mr. Taylor was ignorant of the orders on the subject, I request you will be good enough to obtain special sanction of Government to enable the Examiner of Public Works Accounts to pass the charge.

3. Had Mr. Taylor known the rules he would doubtless have applied to you at Madras for a special order to bring a horse with him, as such animals are not easily procurable in this district.

No. 8-A. From the same Officer, dated Dowlaishweram, 17th April 1876, No. 114.

In continuation of my letter of the 17th ultimo, No. 3,710, I have the honor to forward herewith, for the special sanction of Government, a supplemental bill of charges incurred by Mr. Burlton, Assistant Engineer of the Western Delta Range, for the conveyance of his horse by steamer from Madras.

No. 9. ORDER THEREON, 1st May 1876, No. 1,085.

ESTABLISHMENT, No. 1-A.

Recorded with G.O., No. 2,810, dated 29th September 1875.
