*Proceedings of the Madras Government, Public Works Department,
8th May 1876.*

No. 79. Read the following Despatch from the Most Honorable the Secretary of State for India:—

INDIA OFFICE, LONDON,
6th April 1876.

Public Works,
No. 11.

MY LORD DEER,—I have to inform your Grace that, upon the recommendation of Mr. Parkes, I authorized the provision of two steam hopper barges to be used in connection with the Madras Harbour Works.

2. These barges have been built by Messrs. Wingate and Co., of Glasgow. One of them, the *Salisbury*, left that port for Madras on the 7th ultimo, the other, the *Hebart*, is expected shortly to be ready to proceed to her destination.

3. Two Engineers have been engaged for each of these barges, and I transmit herewith for your information one part of the Covenants entered into with William Telford and Robert Wiseman, the Engineers for the steam barge *Salisbury*.

4. Telford and Wiseman have received advances of £25 and £20 respectively, the equivalents of which sums should be recovered by deductions from their salaries in India, at the rate of exchange fixed for transactions between the Secretary of State and the Home Treasury.

5. The names of the Engineers for the barge *Hebart* are William Winch and George Smith. The terms on which these men have been engaged, and the date of their departure for Madras, will be communicated to your Government in due course.

I have, &c.,
SALISBURY.

His Excellency the Right Honorable
The Governor in Council, Fort St. George.
