Proceedings of the Madras Government, Public Works Department.
8th May 1876.

No. 101. Read the following endorsement of the Secretary to Government in the Military Department, dated Ootacamund, 26th April 1876, No. 2,070:—
From Veterinary Surgeon W. S. ADAMS, Acting for Remount Agent, to Colonel J. MICHAEL, Secretary to Government, Military Department, Ootacamund, dated Ootacamund, 24th April 1876, No. 84.

In the absence of Colonel Drury, but at his request, I have the honor to bring to the notice of Government that the new surplus channel from the Jeogoor tank in the Ootacamund taluk—the cutting of which was sanctioned for immediate execution in O.G., No. 2,541, dated 8th of September 1875—is not being proceeded with; the Executive Engineer states, in explanation, that he "could not under G.O., No. 3,157, dated 8th November 1875, allow the work to proceed until compensation had been paid, particularly as the Magistrate had already interfered."

2. If the Civil Officers do not assist the Engineer Office the work will not be completed before the rains set in, when there may be another flood and further destruction of Government property, which might have been avoided if the orders of Government had been promptly carried out by the Civil authorities.

TRANSFERRED to the Public Works Department.

(By order,)

(Signed) J. MICHAEL, Colonel,
Secretary to Government.

No. 102. ORDER THEREON, 8th May 1876, No. 1,132.
