*Proceedings of the Madras Government, Public Works Department,
8th May 1876.*

No. 105. Read the following letter from Colonel C. H. DICKENS, R.A., Secretary to the Government of India, Public Works Department, (Account—Irrigation,) to Major-General G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, (Irrigation Branch,) dated Fort William, 22nd April 1876, No. 192 A.—I. :—

I AM directed to acknowledge receipt of your letter, No. 711, dated 18th March 1876, from which it would appear that the Government of Madras have sanctioned the estimate for the extension of the Pennair Anicut, and in reply to say that as the probable cost of the work is more than 5 per cent. of the sanctioned cost of the work, of which the extension forms part, the sanction of the Government of India was really necessary to the estimate for the further work. On this point I am to invite attention to paragraph 10 of the orders on the Madras Irrigation Budget Estimate for 1875-76.

2. As the work is now nearly completed, the Government of India have no alternative but to confirm the Proceedings of the Government of Madras sanctioning the estimate for the work. The Examiner of Public Works Accounts should be informed accordingly.

Sir,

I am directed to acknowledge
receipt of your letter No. 711 dated 10th
March 1876, from which it would
appear that the Government of Madras
have sanctioned the estimate for the
extension of the Tinnai Canal, and
in reply to say that as the probable
cost of the work is more than 6 per
cent of the sanctioned cost of the work
of which the extension forms part,
the sanction of the Government of India
was really necessary to the estimate for
the further work. On this point,

I

I am to invite attention to para 10, of
the orders on the Madras Irrigation
Budget - Estimate for 1875-76.
