*Proceedings of the Madras Government, Public Works Department,
8th May 1876.*

No 137. Read the following letter from Lieutenant-Colonel R F OAKES, R E,
Superintending Engineer, Tanjore, to Major-General G W WALKER,
R E, Secretary to Government, Public Works Department, dated Tanjore,
24th April 1876, No 676 —

With reference to G O, No 894, of 4th instant, received this day, transferring
Mr Supervisor Arbuthnot to the Tanjore District, I have the honor to inform you
that a sub-range in the Tanjore district forms a more responsible and important
charge than that of many a range in other districts, and if Mr Arbuthnot has failed to
give satisfaction in South Arcot by not being able to perform the duties which
devolved upon him in a sub-range there, it is useless to try him in a far more
important charge in Tanjore. If a real chance is to be given him he should be
placed in a less important instead of a more important charge.

No 138. ORDER THEREON, 8th May 1876, No. 1,150.
