*Proceedings of the Madras Government, Public Works Department,
16th May 1876.*

No. 274. Read the following letter from H. G. TURNER, Esq., C.S., Acting Postmaster-General, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 26th April 1876, No. 703/568:—

I HAVE the honor to submit copy of a letter* from the District Engineer of Godavery, and the plan and estimate for Rupees 470 therein referred to, for alterations and additions to the Post Office at Buddrachellum, also copy of a letter† from

the Director-General of the Post Office of India according sanction to the measure, and request that you will be so good as to move the Government to pass orders for the allotment of the necessary funds from the grant for Minor Works of the Postal Department for 1876-77, so that the work may be executed as early as possible.

Copy of a communication from the Director-General of the Post Office of India, to the Postmaster-General, Madras, No. 313, dated 19th April 1876.

In returning the original enclosure of your letter, No. 1,514/4,756, dated 28th March 1876, I beg to convey my sanction to an expenditure, not exceeding Rupees 470, for alterations and additions to the Buddrachellum Post Office.

The cost will be debited to the Minor Works allotment for Madras in 1876-77.

Copy of a communication from the District Engineer, Godavery District, to the Inspector of Post Offices, Cocanada Division, No. 3,498, dated 2nd March 1876.

I SEND herewith the plan and estimate of certain improvements proposed at the Buddrachellum Post Office, and request you will be good enough to forward them to the Postmaster-General with explanation of the necessity for the work, in order that he may obtain the sanction of Government, and an allotment of funds for carrying it out.

The only portion of the work that requires remark from me is the slope of the roof. The present slope is most insufficient, and I have given it the proper slope of 8 inches to 1 foot.

Proceedings of the Madras Government, Public Works Department,
16th May 1876.

No. 268. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E.,
District Engineer, Madura, to Major-General G. W. WALKER, R.E., Secre-
tary to Government, Public Works Department, dated Madura, 6th May 1876,
No. 526 :—

I HAVE the honor to submit, for the sanction of Government, the accompanying
1 Revised Estimate. revised estimate of Rupees 1,435 and
1 Comparative Statement. comparative statement for constructing
Police huts at Karisaputty in lieu of the

one sanctioned in G.O., No. 384, dated 19th February 1875.

2. The cause of excess, Rupees 215, over the sanctioned estimate is mainly due to
the substitution of sun-burnt bricks for mud walls and to the increased dimensions of
scantlings which were found to be subsequently necessary. The excess, it will be seen,
has been fully explained in the enclosed comparative statement.

3. In preparing the Administration Report it was noticed here that the outlay for
the year was Rupees 1,218, and the amount sanctioned for the work Rupees 1,220,
whilst several items remained to be completed. Mr. Potter was at once called upon
for an explanation, and on the 3rd May 1876, the date on which he reported his
departure, he sent in with his letter, No. 44, the accompanying revised estimate and
comparative statement, which it is quite evident he has had with him since the 10th
February last. As the Range Officer finds his own work so onerous he can hardly
get through with it, I have taken this sub-division under my own immediate charge
since the 1st April 1876, and will do my utmost to prevent these irregularities recurring,
and trust the Government will be pleased to sanction the excess, as it was incurred to
secure far better work than the old estimate allowed for.
