Prov. in the Financial
Dept 3 H.C. No 605 of 30 March/76/

MM. In finally working out the details of the Provincial Budget it has not been found possible to appropriate for Police Buildings the exact amount of Rs. 27,178; and the following Cutcha Station Houses and Huts entered in the list recorded with G.O. No 3610 of 24 Decr. 1875 have necessarily been thrown out with reference to the Proceedings of the Government of India Communicated with G.O. No 3697 of 6 December 1875.

These Proceedings pre-
scribe that such works
shall be considered
works of Petty Construction
and Repair, and be
provided for in the
Civil Departmental
Budget. It is moreover
doubtful whether the
Inspector General of Police
was justified in bringing
forward such works in
his list in the face of
Judicial Department
Order No. 2207 of 11th Oct/95,
which forbids the con-
struction of Cutcha Huts.
(Here enter List A.)

I presume this must
be done in some way
must go on with
reference to the list
must be made deposit of
M.V.

The following re-
ductions have likewise
had to be made from
District Repair allotments.
(Here enter List B.)

The sum of Rs. 3050
for strengthening the
doors and windows of
the Central Jail at
Trichinopoly was noti-
fied as a lake for entry
in the Budget; those
of Rs. 372 and 1500 for
the Walhair Church
and Gorumphant
are below the amounts
that can be entered
in Budgets. Provision
is now made for all
from the Reserve.
