Superintending Engineer, Tanjore, to Major-General G. W. WALKER, R.E.,
Secretary to Government, Public Works Department, dated Tanjore, 8th
May 1876, No. 791:—

With reference to G.O., No. 875, dated 2nd April 1875, I have the honor to
report that the stores in connection with
One List. the dredges at Negapatam have been

disposed of so as to terminate finally all expenditure in connection therewith. Such
of the portions of the machines as were good and sufficiently valuable to render it
advisable to incur the cost of carriage were sent up to the Public Works Stores at
Madras, and the remainder were sold at Negapatam in public auction. A sum of
Rupees 5,180-14-6 was realized by the sale of the articles, and the amount has been
duly credited in the accounts.

2. A sum of Rupees 141-12-2 was expended in 1875-76 in cleaning and preserv-
ing serviceable plant appertaining to the dredges up to the date of the receipt of
G.O., No. 1,451, dated 26th May 1875, and a further sum of Rupees 321-3-5, as shown
in the enclosed list, has been expended since in disposing of the machinery as above
stated, and, as these sums remain unadjusted in the accounts, I request that the
necessary funds to admit of their adjustment may be allotted under the head of Tools
and Plant, Provincial, to which head the amount is chargeable.
