*Proceedings of the Madras Government, Public Works Department,
18th May 1876.*

No. 311. Read the following endorsement of the District Engineer, Presidency,
dated 9th May 1876, No. 581 :—

From J. N. GRAINGER, Esq., General Superintendent of Public Works Stores and
Workshops, to Major P. MONTGOMERIE, R.E., District Engineer, Presi-
dency, dated Chepauk, 6th May 1876, No. 182.

I HAVE the honor to return, for submission to Government, the Packing Accounts
of Public Works Stores per *Inveravon* and *Kingdom of Saxony*, dated 17th November
and 23rd December 1875, respectively.

2. The stores have been received in good order and condition.

3. I beg to point out that the Provincial Public Works Stores received by these
vessels are included in the Packing Accounts of Remittance Stores for the Public
Works Workshop, and, as the stores and accounts of Provincial Public Works Stores
are kept separate and distinct from that of the Workshop, I beg that the Government
may be solicited to move the Home Government to invoice the stores separately, as
the inclusion in one Packing Account of Provincial Public Works and Workshop
Stores tends to confusion. There will be no objection, however, to the inclusion of
Provincial Public Works Stores in the Packing Account of Imperial Stores, if the
stores are entered under the different services.

4. Office copy of Packing Account of Provincial Public Works Stores was received
per *Inveravon*, but the stores are omitted in the Packing Account herewith returned,
while no office copy of Packing Account of Provincial Public Works Stores was received
per the *Kingdom of Saxony*, and the items are omitted in the accompanying Packing
Account, but appear promiscuously in the Packing Account of Remittance Stores which
will be submitted by the Workshop for transmission to the Home Government.

SUBMITTED to the Chief Engineer and Secretary to Government, Public Works
Department.

(Signed) P. MONTGOMERIE, Major, R.E.,
District Engineer, Presidency.

Nos. 312 & 313. ORDER THEREON, 18th May 1876, No. 1,242.

There is no objection, however, to Provincial and Imperial Stores being included in the same invoice provided the different services are clearly indicated. It will be seen from paragraph 4 of the letter that the preparation and transmission of Packing Accounts for the Stores under reference have not been carefully attended to.
