*Proceedings of the Madras Government, Public Works Department,
22nd May 1876.*

No. 377. Read the following letter from Major P. MONTGOMERIE, R.E.,
Officiating District Engineer, Presidency, to Major-General G. W.
WALKER, R.E., Secretary to Government, Public Works Department,
dated Fort St. George, 13th May 1876, No. 688:—

I HAVE the honor to submit, for sanction of Government, plan, specification report,
and estimate, amounting to Rupees 310,
for providing water-taps in the quarters
of the Staff Serjeants attached to the
Garrison of Fort St. George, which have

been prepared at the request of the Deputy Assistant Quartermaster-General, Centre
District, and approved of by His Excellency the Commander-in-Chief.

2. The necessity for this work is explained by the Military Department that
there will be an annual saving of Rupees 33-10-0 by reduction from the establishment
of one waterwoman who now supplies water daily for these quarters.
