*Proceedings of the Madras Government, Public Works Department,
26th May 1876.*

No. 440. Read the following letter from T. D. HARRIS, Esq., Officiating District Engineer, Malabar, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Calicut, 18th May 1876, No. 45 :—

THE officer in charge of the Kurumbranaad Range has requested me to apply for the services of a passed Overseer, 3rd Grade, to be temporarily employed on certain works in the North Wynaad, against which a sum of Rupees 49,260 has to be spent during the current year. Knowing that Government will not sanction the employment of an additional Overseer, I recommended to send the Draftsman of the Ernaad Range, late of South Wynaad Range, a man who had been for three years as Local Fund Overseer in Tinnevely District, and proposed that his pay should be met from the petty establishment, but both Mr. Pringle and Lieutenant Dobson, who has since taken charge of the Kurumbranaad Range, are of opinion that the man recommended by me will not suit, and urge that a passed Overseer may be sent, as the present Taluq Overseer at Manantoddy is much overworked. I therefore beg to be informed whether a passed Overseer can be temporarily entertained to forward the work. I shall be pleased if Government will approve of the measure.

No. 441. ORDER THEREON, 26th May 1876, No. 1,309.

ESTABLISHMENT, No. 38.

If the services of a passed Overseer are available, and he is willing to be so employed in anticipation of obtaining a permanent taluq charge, there is no objection to the District Engineer of Malabar entertaining him on the temporary establishment for the special purpose alluded to.
