*Proceedings of the Madras Government, Public Works Department,
26th May 1876.*

Read the following letters :—

No. 466. From Colonel C. H. DICKENS, R.A., Secretary to the Government of India, Public Works Department, Account—General, to Major-General G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, dated Fort William, 10th April 1876, No. 350 A.—G.

I AM directed to acknowledge the receipt of your letter, No. 567, dated 2nd March 1876, and in reply to state that the official year 1875-76 having closed, the Government of India are unable to sanction the additional grant of Rupees 6,500 required to cover outlay during that year on coal-boring operations at Beddadanoole in the Godavery District, and that it will therefore be necessary to show the expenditure in the accounts as having been incurred without appropriation.

2. I am to take this opportunity of inquiring whether it is intended that expenditure on these coal explorations should be continued during the current official year, and, if such is the case, to point out that until a grant is assigned for the purpose any outlay on the purpose would be irregular.

No. 466-A. From Major J. BEATTY, R.E., District Engineer, Godavery, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Dowlaishweram, 10th May 1876, No. 355.

As directed in your memorandum, No. 707 of 20th ultimo, which I have been unable to comply with more promptly owing to absence from head-quarters, I have the honor to furnish an estimate of the cost of coal-borings till their cessation for this season.

2. I have assumed that the works will now be continued until all the borings proposed by Mr. King have been completed, and it seems probable that this will occupy the party until about the end of August.

No. 467. ORDER THEREON, 26th May 1876, No. 1,322.

CIVIL WORKS, No. 37.

ORDERED that the estimate of coal-boring operations during the current year, amounting to Rupees 7,000, be forwarded to the Government of India with a view to a special assignment of funds being made.
