*Proceedings of the Madras Government, Public Works Department,
30th May 1876.*

Read the following letters :—

No. 497. From Major P. MONTGOMERIE, R.E., Officiating District Engineer, Presidency, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 17th May 1876, No. 757.

With reference to your memorandum, No. T/208, dated 12th May 1876, I have the honor to inform you that no funds are available under the head Military Minor New Works, Imperial, as none have as yet been placed at my disposal for the current official year.

2. During previous years sums as per margin were allotted by Government for Military Minor New Works in the Presidency District, and they were found quite inadequate to meet the cost of Minor New Works, amounting to Rupees 200 and below each, which are within the powers of the District Engineer to sanction. I have therefore the honor to request that a special grant may be sanctioned from the current year's Reserve under the head Military, at the disposal of Government, to meet the cost of the sanctioned estimate, amounting to Rupees 685, for building partition walls and providing windows in the Chintadrepettah Barracks to enable me to commence the work.

No. 497-A. From the same Officer, dated Fort St. George, 24th May 1876, No. 930.

With reference to your memorandum, No. T/272, dated 20th May 1876, I have the honor to state that the sum of Rupees 5,000 provided for Military Minor New Works in Appendix C of Imperial Budget 1876-77, is hardly adequate to meet the wants of the several works under that head, costing each Rupees 200 and below, which are within my power of sanction, as already explained in paragraph 2 of my letter No. 757, dated 17th May 1876.

2. And I therefore request you will be so good as to allot funds from the grant of Rupees 10,500, which is at the disposal of Government for this district, to enable me to carry out the sanctioned estimate for building partition walls, &c., in Chintadrepettah Barracks, which amounts to Rupees 685.

No. 498. ORDER THEREON, 30th May 1876, No. 1,339.

MILITARY WORKS, No. 11.

An allotment of Rupees 685 is made to the Presidency District from the amount at the disposal of Government under Minor New Works, Military.
