No. 7. Read the following letter from Major ROSS THOMPSON, R.E., Officiating District Engineer, Bangalore, to Major-General G. W. WALKER, R.E., Chief Engineer, Department Public Works, dated Bangalore, 16th May 1876, No. 33:—

ADVERTING to *Fort St. George Gazette* of 14th March 1876, page 440, under the heading of Public Works Department Transfers, I have the honor to report that I left Madras on the 11th April 1876 and arrived at Bangalore on the following day to relieve Major Vibart, R.E.

2. To enable me to do my work here I brought my horses with me from Madras. I request therefore that you will be so good as to authorize the Examiner of Public Works Accounts to pass my bill for rail charges, amounting to Rupees 30-8-0, for their carriage up.

3. The Examiner has disallowed a bill which I submitted to him, and has pointed out that, under Public Works Code, Chapter IV, Section III, paragraph 1, Rule VIII, as revised in the Standing Order, No. 51 of 1871, see also G.O., No. 2,810, of the 29th September 1875, he is unable to pass it without your certificate as to the necessity of the charge.

4. I was unable to march them by road instead of sending them by rail, as I was using them on my work at the Presidency up to the day I left, and required them immediately upon my arrival at Bangalore to enable me to do my work here.

• Enclosed in letter No. 31, dated 15th May 1876.

5. I enclose my bill and the Examiner's Disallowance List.*
