Public Works DEPARTMENT

G.O. No.	1407-08(W)	Press
B.P. No.		Mis.
Dated	6-6-	1876.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
6th June 1876.*

Read the following papers :—

No. 97. From Captain G. T. SKIPWITH, R.E., Assistant Secretary to the Government of India, Public Works Department, (Civil Works—Miscellaneous,) to Major-General G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, dated Simla, 19th May 1876, No. 152 M.

I AM directed to request that the Government of India may be furnished with an early report of the effects of any recent cyclone, or heavy gale, on the Madras Harbour Works as far as they have gone.

No. 97-A. Telegram from the Secretary to the Government of India, Public Works Department, Simla, to the Secretary to the Government of Madras, Public Works Department, Ootacamund, dated 3rd June 1876.

PLEASE send with promised report on Harbour Works longitudinal and cross sections of the actual work as now existing of the projected breakwater, with a statement showing in tons or cube feet the material already deposited, and total amount of material delivered.

No. 98. ORDER THEREON, 6th June 1876, No. 1,407.

CIVIL WORKS, No. 13.

ORDERED that the following letter
be sent :—

(Here enter No. 1,408, dated 6th June 1876.)

(True Extract.)

(Signed) G. W. WALKER, Major-General, R.E.,
Secretary to Government.

Exd. S. T. Austin.

FROM

MAJOR-GENERAL G. W. WALKER, R.E.,
Secretary to the Government of Madras,
Public Works Department,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
Public Works Department.

CIVIL WORKS, No. 14.

SIR,—I am directed to state with
reference to Captain Skipwith's letter,
under date the 19th May, No. 152 M,

that no cyclone or gale of any description has occurred by which the Madras
Harbour Works have been affected.

2. The high surf and strong southerly current which occurred at the end of last
month and the beginning of this, evidently the result of some considerable atmospheric
changes somewhere in the Bay, carried some of the stone from the end to the weather-
side of the pier, thus flattening the slopes, but the occurrence was only what might be
expected and cannot be classed as damage.

3. As requested in your telegram of the 3rd June, I am to forward herewith
longitudinal and cross sections of the work as existing during the month of April.
39,297 tons of material were deposited when these were taken, and 15,730 tons
additional were deposited in May.

I have the honor to be,

Sir,

Your most obedient servant,

Colonel,
Offg. Under Secy. to Govt., P.W.D.,
for Secretary to Government.

Ed. S. T. Austin.

or gale of any
description has occurred,
by which the Mexico
Harbour Docks have
been affected.

The High tide and
strong southerly current
which occurred at the
end of last month
and the beginning
of this evidently
the result of some
considerable flattening
elsewhere some where
in the Bay caused
some of the
Hills at the end of
the pier thus flattening
the slopes, but the
massage done was
only what might
be ^{expected} for such
a thing deserves.

Govt of India.

Mr. J.

Li

I am directed to
state, with reference to
Captain Kipivitch's letter
under date the 19th May,
No. 152 M., that no
Cyclone or gale of any
description has occurred

Despatch 30-5-76 11 5-6 20

by which the Madras
Harbour Works have
been affected.

The High Surf and
strong southerly current
which occurred at the
end of last month and
the beginning of this
evidently the result
of some considerable
atmospheric changes
somewhere in the
Bay carried some of
the stone from the
end to the weather side
of the pier thus flat-
tering the slopes, but
the occurrence was
only what might be
expected and cannot

be classed as damage.

As requested in
your telegram of the 3^d
June I am to forward
herewith Longitudinal
and Cross Sections of the
work as existing during
the month of April.

39,297 tons of material
were deposited when
these were taken, and
15,730 tons additional
were deposited in
May.
