*Proceedings of the Madras Government, Public Works Department,
7th June 1876.*

No. 124. Read the following letter from N. St. B. BEARDMORE, Esq., Officiating Superintendent, Madras Harbour Works, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 31st May 1876, No. 22 W :—

I HAVE the honor to request that the Madras Government will sanction the appointment of a second Foreman Diver for these works. One Mr. William Allen has already been engaged by Mr. Parkes at a salary of Rupees 220, and is expected here about the 7th day of June. It will be necessary however for two to be employed, one for each pier, to take charge of and direct the assistants under him, and I hear from Mr. Parkes, in his letter of the 7th April last, that a man formerly employed at Kurrachee and well known to the late Mr. May, who had applied to him to fill the post here, is now awaiting in London for the necessary sanction.

No. 125. ORDER THEREON, 7th June 1876, No. 1,421.

ESTABLISHMENT, No. 6.

THERE is no objection on the part of the Madras Government to the appointment of a second Foreman Diver. But such appointments do not rest with them but are made by the Engineer-in-Chief at Home under the authority of the Secretary of State. And it is noted from paragraph 3 of Mr. Parkes' letter recorded with G.O., No. 1,433, of 25th May 1875, that their expenses are included in the rates on which the estimate is based; and should not be charged to Establishments.
