Not to be folded or roughly handled

No. 277. Read the following letter from Colonel C. H. DICKENS, R.A., Secretary to the Government of India, Public Works Department, (Account—General), to the Governments of Madras, Bombay, Bengal, the North-Western Provinces and the Punjab, in the Public Works Department; the Chief Commissioners of Oudh, Central Provinces, British Burmah, Mysore and Coorg, and Assam; the Resident at Hyderabad; the Agents to the Governor-General for Central India and Rajpootana; the Inspector-General of Military Works, dated Fort William, 14th January 1876, Nos. 33—46 A—G:—

In order to admit of the preparation of the general regular Estimate of receipts and expenditure for the current official year, I am directed to request that a report may be furnished, so as to reach this office *without fail on the 4th February 1876*, of the probable receipts and expenditure chargeable to the Imperial Budget grant of the year 1875-76 under each of the following heads:—

For Buildings and Roads—

- A.—Imperial Ordinary miscellaneous receipts.
- B.—Imperial Ordinary expenditure in India on Buildings and Roads under Military, and including fluctuations in balances chargeable to Budget grant.
- C.—Imperial Ordinary expenditure on Barrack Department.
- D.—Imperial Ordinary expenditure on Imperial. Other Services.
- E.—Net Ordinary Imperial outlay of year representing aggregate of amounts under B, C and D, and after deduction of provision for expenditure in England.

2. This report will, I am to say, be probably most conveniently drawn up in consultation with the Controller of Public Works Accounts, and after a consideration of the receipts and expenditure, actual and approximate, for the first nine months of the year, together with the credit orders issued for January and February 1876.

3. The form in which this information is required is herewith annexed. No details of any kind are necessary. It will suffice to give the total amount under each of the heads mentioned above. In the case of receipts, if the amount reported is appreciably in excess of or less than the Budget estimate, a brief explanation of the difference should be furnished. And, in the case of expenditure, the amount to be reported cannot, of course, be in excess of the sanctioned Budget grant. If it is considerably less than the grant, information of the cause should be furnished.

*Proceedings of the Madras Government, Public Works Department,
