*Proceedings of the Madras Government, Public Works Department,  
12th June 1876.*

No. 182. Read the following endorsement of the Consulting Engineer for Railways,  
dated Madras, 1st June 1876, No. 267 :—

From W. R. ROBINSON, Esq., Acting Chief Engineer, to R. B. ELWIN, Esq., Agent  
and Manager of the Madras Railway Company, dated Madras, 30th May 1876,  
No. 395.

CONSULTING ENGINEER'S letter, No. 385, dated 11th April, forwarding copy of  
G.O., No. 781, dated 28th March 1876.

I regret to say that, although every effort has been made both by the Railway  
and the Police authorities, no information has been obtained which might lead to the  
discovery of the person who placed the chairs on the  $\frac{204}{11}$  mile, South-west Line, on the  
20th January last.

2. The Superintendent of Police, Salem, states that there is very strong  
presumption that the deed was committed by one of the servants of the Company  
from motives of revenge, but that he is not in a position to produce sufficient evidence  
to render a conviction even probable.

No. 568.

To the Consulting Engineer for Railways for information.
