*Proceedings of the Madras Government, Public Works Department,
15th June 1876.*

No. 249. Read the following Proceedings of the Madras Government in the Financial Department, dated Ootacamund, 14th June 1876, No. 1,084:—
From the District Engineer, Madura, through Public Works Department, dated 27th April 1876, No. 374.
Proceedings of the Board of Revenue, dated 22nd May 1876, No. 4,241.

THE Governor in Council, having perused these papers, directs that Mr. Bliss and Colonel Fischer be informed that the Government view with extreme dissatisfaction the want of harmony that has characterized their relations, alike unbecoming officers of their experience and detrimental to the public service. They will distinctly understand that if the time of Government and of the Revenue Board is again wasted in perusing the voluminous record of their personal bickerings, they will both be removed from their appointments of which they seem to misapprehend the duties and responsibility.

2. While warning both officers alike, the Governor in Council desires Mr. Bliss to understand that the Government hold him mainly to blame for this contention, which proper consideration and due courtesy on his part towards an officer so much his senior as is Colonel Fischer would probably have averted.
