*Proceedings of the Madras Government, Public Works Department,
15th June 1876.*

No. 256. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 2nd June 1876, No. 270:—

I HAVE the honor to submit, for the sanction of the Government of India, an Indent* on the Board of Directors of the Madras Railway Company for Medicines, Instruments, &c., required for the Medical Department, the approximate cost being £71-0-7.

2. The stores being required urgently, I have, in anticipation of sanction, authorized the transmission of the Indent to England for compliance.

From R. B. ELWIN, Esq., Agent and Manager of the Madras Railway Company, to Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, dated Madras, 1st June 1876, No. 572.

I HAVE the honor to forward you herewith an Indent* on the Board of Directors for Medicines and Instruments required for the use of the Medical Department, and I request that you will be so good as to communicate authority for the transmission of it to England for compliance.

2. I enclose copy of a letter from the Acting Consulting Physician, No. 188, of the 22nd ultimo, in which he explains the necessity for indenting for the medicines, &c.

From W. ELDER, Esq., Acting Consulting Physician, to R. B. ELWIN, Esq., Agent and Manager of the Madras Railway Company, dated Royapooram, 22nd May 1876, No. 188.

I HAVE the honor to forward another Indent on the Home Board for Medicines and Instruments which I trust you will kindly sanction and despatch at your earliest convenience. Next month our present supply of drugs will have to be distributed among the Apothecaries, and in the event of an *extra* Indent being required, I think it necessary that our supplies for the first-half of 1877 should be in stores some time before the end of this year.

No. 257. ORDER THEREON, 15th June 1876, No. 1,489.

RAILWAY, No. 30.

APPROVED and transmitted to the Government of India.

2. His Grace the Governor in Council however fails to see what there was to prevent timely arrangements being made for supply of the stores in the regular course. And the necessity which has arisen for the transmission of the Indent Home in anticipation of sanction, evinces in his opinion, want of common foresight on the part of the controlling officers concerned.
