*Proceedings of the Madras Government, Public Works Department,
21st January 1876.*

No. 297. · Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 18th January 1876, No. 27 :—

I HAVE the honor to lay before Government the following approximate estimate of the gross earnings, working expenses, and balances of the South Indian Railway for the half-year ended 31st December 1875 :—

	Estimate for the half-year ended 31st December 1875.	Actuals for the half-year ended 31st December 1874.	In-crease in 1875.	Decrease in 1874.
	RS.	RS.	RS.	RS.
Gross Earnings	5,94,500	5,07,197	89,303	...
Working Expenses	2,67,000	2,97,371	...	30,371
Balances ...	3,27,500	2,07,826	1,19,674	...

2. It is expected that the opening of the line from Trichinopoly to Madura on the 1st September last will result in an additional revenue of about 80,000 Rupees during this half-year, as compared with the actuals of the corresponding half of the previous year. A large saving is expected under the head "Maintenance of line" between Negapatam and Trichinopoly, as it was re-layed on conversion to the metre gauge; and also under "Repairs and renewals to engines and tenders" and "Carriages and wagons," the stock used on this section during four out of these six months having been new, while the age of the rolling stock hitherto used necessitated a large expenditure during the half-year ended 31st December 1874.

No. 298. ORDER THEREON, 21st January 1876, No. 152.

RAILWAY, No. 28.

ORDERED to be forwarded for the information of the Government of India.
