*Proceedings of the Madras Government, Public Works Department,
20th June 1876.*

No. 417. Read the following endorsement of the Secretary to Government,
Revenue Department, dated Ootacamund, 1st June 1876 —

Proceedings of the Board of Revenue, dated 26th May 1876.

Read again the following letter from R. W. BARLOW, Esq., Collector of Chingleput, to
C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated
Sydapett, 24th May 1876, No. 310 —

In acknowledging the Proceedings of the Board of the 20th instant, passing orders
on a letter from Colonel Moberly, No. 490, I have the honor to request that, if the
same are to be submitted to Government, a copy of this letter, should the Board see no
objection, may be forwarded at the same time.

2 When first reporting in my No. 228 of the 12th April last the sudden cessa-
tion of the work, the Board will observe that I made no comment on the Superintend-
ing Engineer's action, though I regretted it extremely, and though my Deputy Collec-
tor complained to me of no notice having been given us I did this intentionally to
avoid giving offence, but when I received Colonel Moberly's No. B of the 13th idem,
matters became very different. From the tenor of paragraph 2 of such letter, probable
increased expenditure was attributed to the necessary delay of a few days on my
part in replying to a letter; whereas the said increased expenditure was attributable,
if to anything, only to the sudden and, in my opinion, unnecessary cessation of work
by the Department of Public Works without any notice to the Revenue Authorities,
and this much I pointed out to the Board, not to Colonel Moberly, in my own defence,
in my No. 231, complained of

From

P. W. Barton Esquire
Collector of the Chingleput District.

To

B. A. Galt Esquire
Secretary to the Board of Revenue
Madras.

Sir,

In acknowledgement of the receipt of the
Board of the 20th instant, passing orders on a
letter from Colonel Moberly, 18th 1876, I
have the honor to request that, if the same
are still submitted to Government a copy of
their letter should be forwarded at the same time.

When first reporting in my 1228
of the 12th April last, the sudden cessation
of the work, the Board will observe that
I made no comment on the Superintending
Engineer's action, though I regretted it
extremely.

Extremely, and though my Deputy collector
complained to me of no notice having been
given us. I did this intentionally to
avoid giving offence; but when I received
Colonel Moberly's letter of the 13th Decr,
matters became very different. From the
tenor of para 2 of such letter, probably
increased expenditure, was attributed to the
unnecessary delay of a few days on my part
in replying to a letter, whereas the said
increased expenditure was attributable
if to any thing only to the sudden and, in
my opinion, unnecessary cessation of work
by the D. & W. without any notice to the
Revenue authorities, and this much I pointed
out to the Board and to Colonel Moberly
in my own defence, in my letter, com-
plained of.
