Office of the Controller of
P.W. Accounts,
Madras, 6th July 1868

Memorandum.

Mr. Marshall's letter dated 5th
July 1868. -

The Acting Controller regrets
that he is unable to modify the order
which he has passed on Mr. Marshall's
case.

Mr. Marshall's letter of the 5th
instant, delivered this day, is the
first report which the Acting Controller
has received of Mr. Marshall being in
jail for debt. Under the rules, Mr.
Marshall is suspended with effect from
the 3rd instant. -

(Signed) S. Brock
Sg. Controller, P.W. Accounts.

Charles Sturges
Superintendent, Corres-
-pondence Branch

Mr. Marshall's explanation of his absence from office without leave is most unsatisfactory, and cannot be accepted still less that of his most insubordinate conduct to Mr. Hart. - The officiating controller from the information before him observes that this is by no means the first occasion on which Mr. Marshall's conduct has been such as to deserve the punishment of dismissal. In fact so strong are the warnings previously given Mr. Marshall that if strict justice were meted out to him he should not be retained in this office for another day. In Mr. Brock's absence however the officiating controller will not award the punishment which he considers Mr. Marshall richly deserves, but will give Mr. Marshall one more chance of improvement by only reducing him two grades in the office. His pay will therefore be in future \$5 instead of \$600 dating from the 6th instant.

FORT SAINT GEORGE, 17 Jan'y 1876.

Sir,

Enclor. 3.

With reference to your endorsement under
date the 9th December 1875, referring to our
petition from Mr Joseph Marshall, late an
Accountant in this Office, I have the honor to state that from the Service
Register kept in this Office, it appears
that Mr Marshall possessed the ^{intellectual} quali-
fications necessary for the satisfactory
discharge of his duties as an Accountant.

2. With regard to his character, however, I enclose for your information
copies of three Office orders on record,
from which it will be seen that latterly
Mr Marshall by his insubordination
and irregular habits had on more
than

than one occasion given cause for grave dissatisfaction, so much so, indeed that it was found necessary on two occasions to reduce him in grade.

3. Mr Marshall joined the Government Service on the 1st March 1851 and resigned on the 5th November 1872.

I have the honor to be
Sir,
