Public Works DEPARTMENT

G.O. No.	160	(W)	Press
B.P. No.			Mis. ✓
Dated	21-1-		1876

Not to be folded or roughly handled

No 41. Sup^r Engineer's Office.
Tanjore, 12 January 1876.

From,
Lieut^t - Col R. F. Oakes R.E.
Superintending Engineer, Tanjore.

To,
Major-General G. W. Walker R.E.,
Secretary to Government,
Public Works Department.

Sir,
In reference to G. O. No. 2676,
dated 17th September last, I have
the honor again to request that the
Government will be pleased to allot
the funds required for the purchase
of a Tent for the use of my Office.
For want of an Office Tent I am
put to much inconvenience while on
circuit as I have not a tent of my
own which I can spare for the
use of the Office; the fact of my
having formerly provided a tent
for the Office as stated by the
late

late Acting District Engineer.
in para. 5 of his letter printed with
the G.O. above quoted gives me
a special claim for an Office
Tent now.

In the Statement of
expenditures and further sums required
submitted to Government on the
7th January 1876, a sum of Rs. 250
has been entered on account of the
purchase of a Tent for this Office
and I trust that the amount ap-
plied for may be allotted at an early
date. If not and if the amount can
be provided in April next, I shall
if permitted, purchase a Tent at
once in anticipation of funds being
allotted for the same; if not, I
shall probably have to give up
the tour I am contemplating
in the Eastern portion of the Dis-
trict where there are no D.O.'s
or Travellers' Bungalows in which
the Office may find accommodation

or

or I must go without any Office
Establishment an arrangement
which will very materially delay
the disposal of official business
which is now very much arrears
in the District though I have
done my utmost during the
last 3 months to dispose of the
arrears.

I have the honor to be,
Sir,

Your most obedient Servant
H. F. A. S. S. H. C. C.
Superintending Engineer, Tanjore
