*Proceedings of the Madras Government, Public Works Department,
30th June 1876. No. 1,649*

No. 616 Read the following letter from Lieutenant-Colonel J. F. FISCHER, R E,
District Engineer, Madura, to Major-General G. W. WALKER, R E,
Secretary to Government, Public Works Department, dated Allinagaram,
18th June 1876, No. 988 —

I HAVE the honor to bring to your notice that, as the Assistant Engineer in charge
of the Dindigul range in his docket,
To be obligingly returned No. 855, under date the 20th February

1876, reported that his draftsman became so ill that he was totally unfit to do any work,
and requested that another draftsman may be temporarily appointed as soon as
possible, I have accordingly granted sick leave to his draftsman and appointed an
unpassed candidate Vencatarungum Naidoo, who understands plan drawing, estimat-
ing, &c, as I was unable to obtain the services of a duly qualified man to fill up the
post temporarily at that moment.

2. It will be observed from the enclosed Disallowance List that this man has
acted as draftsman and estimator from the 29th February to 29th March 1876, and
that a sum of Rupees 24-8-11 is due to him for that period. The Examiner of
Public Works Accounts has now disallowed his claims, and requires the special sanc-
tion of Government for passing his claims.

3 Under these circumstances, I request that you will be so good as to obtain
the necessary sanction for the disbursement of the pay due to the acting incumbent
above-mentioned, as required by G.O., of the 3rd March 1876, No. 580.

No. 617. ORDER THEREON, 30th June 1876, No. 1,649.

ESTABLISHMENT, No. 37.

THE Examiner is authorized to admit
the claim.
