*Proceedings of the Madras Government, Public Works Department,
30th June 1876 No 1,655.*

No. 628. Read the following letter from Captain L. CONWAY-GORDON, R E,
Examiner of Public Works Accounts, to Major-General G. W. WALKER,
R E, Secretary to Government, Public Works Department, dated Fort St
George, 22nd June 1876, No. 75 W.—

In their Proceedings, No 1,599, dated 18th June 1863, Government declined to
sanction a permanent medical establishment at Bezvada; but in their subsequent
Proceedings, No. 1,219, dated 9th November 1863, the entertainment of a native
medical officer was sanctioned on the condition that his salary was to be charged to
Works.

2 As the services of this native medical officer have been retained ever since,
I think he may, after a period of some thirteen years, be considered as part of the
permanent establishment I would, therefore, recommend that, in accordance with the
Public Works Code, Chapter IV I 43, the salary of this native doctor be charged to
Establishments, as is done in the similar case of the medical establishment in the
Godavery district

No 629. ORDER THEREON, 30th June 1876, No. 1,655.

ESTABLISHMENT, No 38

THE proposal of the Examiner is
approved. The pay of the Dresser will
be charged against the Budget provision
for Petty Establishments.
