No 635. Read the following endorsement of the Secretary to Government,
Military Department, dated Ootacamund, 21st June 1876, No 3,051
(Barracks and Buildings) —

From Colonel H. L. BRUCE, c b, Commanding Royal Artillery, Mysore Division, to
Lieutenant-Colonel W R MESHAM, Assistant Quartermaster-General,
Mysore Division, dated Bangalore, 6th June 1876, No 812.

I HAVE the honor to request that you will bring to the notice of the Major-
General Commanding that two works of
importance sanctioned by Madras Govern-
ment Orders as per margin have not as
yet been commenced by the Public Works
Department

2 The first, an additional room to
the Serjeants' Mess of the Royal Horse Artillery, until this is done the Serjeants of
the Royal Horse Artillery do not possess the same advantages as those of other Corps
at this station, and it is on their behalf I press for the speedy erection of this room

3. The second, gates to the Gun sheds of the three Batteries are urgently
required not only for the better protection of Government property, as petty robberies
are rife at this station, but to save the men from unnecessary extra sentry duty
which at times presses hard upon them

4. I trust therefore the Major-General will be good enough to obtain the neces-
sary orders for these works to be put in hand at once.
