OBSERVATIONS —In the Resolution above read orders were not given regarding
the incidence of the expenses connected with the Committee, but in paragraph 3 of
the letter, No 3,106 P, dated 15th December 1875, to Major LeMessurier, he
was informed that his contingent expenses and personal charges would be debited to
the grant for "Land and Control" of the Scinde, Punjab, and Delhi Railway.

The Government of Bombay in letter, No 1,359, dated 29th December
1875, inquired whether the travelling expenses of the officers from that Presidency
appointed to serve on the Committee were to be defrayed by Government

The Consulting Engineer for Guaranteed Railways at Lahore now inquires
whether the salaries and travelling allowances of the establishment of the Secretary
to the Committee should be debited to the same account as his personal charges and
contingent expenses, and also asks for orders as to how the travelling allowances of
Lieutenant Call, who was appointed to assist Major LeMessurier, are to be charged

RESOLUTION —The Government of India are pleased to decide that the salaries
and travelling allowances of the office establishment of the Secretary to the
Committee shall be charged to the grant for "Land and Control," Scinde, Punjab, and
Delhi Railway

Actual travelling expenses of all Railway and Government officers who served
on the Committee should be defrayed, plus a daily allowance of Rupees 10 for the
time they were absent from their duties in connection with Railway Transport
Committee work, amount chargeable in the case of State Railways to the lines
in which the officers are serving, and in Guaranteed Railways to the grant for "Land
and Control" of the railways in which the officers are serving

Lieutenant Call's salary and travelling expenses, plus the allowance above
sanctioned, should be debited to the Central Provinces, to which he belongs.

ORDER.—Ordered that this Resolution be forwarded to the Military Department
for information
