*Proceedings of the Madras Government, Public Works Department,
5th July 1876. No. 1,693.*

No. 57. Read the following endorsement of the Judicial Department, dated 19th
June 1876, No. 922.—

From the Inspector-General of Police, No. 30, dated 18th June 1876.

No. 58. ORDER THEREON, 5th July 1876, No. 1,693.

ACCOUNT, No 4.

It is remarked that reductions roughly
calculated at Rupees 45,000 on the intended
grants for Jail purposes, and Rupees 5,000
on those for Police purposes had to be made just before issue of Order, No. 952, of
10th April, on the Provincial Public Works Budget, to provide for the refund to the
Government of India of Rupees 50,000 on account of the Madras Water Supply
Project. The actual deductions that had to be made on the latter account turned out
to be Rupees 5,986; which was distributed so as to inconvenience the Police Depart-
ment as little as possible, no important works being struck out of the list.

2. It should be intimated to the Inspector-General of Police that it will not in
future be possible to make such a large allotment for Police Works as Rupees 80,000
(besides providing for Incomplete Works not shown in his list).
