Public Works DEPARTMENT

G.O. No.	1700	Press <i>Original</i>
B.P. No.		Mis.
Dated	5. 7.	195 1876

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
5th July 1876 No 1,700*

No 71 Read the following letter from Colonel F J MOBERLY, R E, S-
tending Engineer, Chingleput, to Lieutenant-Colonel J MÜLLER, R E,
Chief Engineer for Irrigation, dated Mount, 7th June 1876, No 787 —

I HAVE the honor to enclose copy of a letter from the Collector regarding the
clearing of prickly-pear from the Parayan-
1 Copy of a letter from the Collector of Chingle- colatoor tank It is so much overgrown
put District, No 235, dated 31st May 1876 that it will require Rupees 5,000 to clear
Revenue, Rupees 3,500 it, and we cannot make any estimate for
after-repair till we can get at the banks

2 The Range Officer writes favorably of retaining the tank

From R W BARLOW, Esq, Collector of the Chingleput District, to Colonel F J MOBERLY,
R E, Superintending Engineer, Chingleput, dated Sydapet, 31st May 1876, No 235

REFERRING to your No 5,072, dated 28th March last, I have the honor to forward copy of
a letter from the Acting Sub-Collector of Chingleput, No 339, dated 20th instant, and to state
that I fully concur in the opinion therein expressed as to the advisability of eradicating the
prickly-pear on the Parayancolatoor tank bund

2 Its retention as an irrigation work is absolutely necessary No less than seven villages
are dependant on this tank for their irrigation, and the revenue under it amounts to Rupees 3,500
The remissions granted for waste, &c, in a good year like Fash 1284, amounts to Rupees 1,340

From S T MCCARTHY, Esq, Acting Sub-Collector of Chingleput, to R W BARLOW, Esq,
Collector of Chingleput, dated Chingleput, 20th May 1876, No 339

WITH reference to your letter, No 550, dated 5th ultimo, I have the honor to state that
the repairs to the Parayancolatoor tank contemplated by Colonel Moberly are very necessary,
and should be carried out as soon as practicable The Tahsildar of Madrantikum considers that
that tank is one of the most important irrigation works in the taluq The prickly-pear has now
grown to such an extent that he thinks that, if immediate steps are not taken for its extirpation,
the strength of the bund may be affected

2 I beg herewith to forward along with the Tahsildar's arzi on the subject the statement
called for in paragraph 2 of your letter showing the extent of holding, the amount of revenue
yielded, and of remissions granted during the past ten years This information would have been
available sooner, only that reference had to be made for it to the Chingleput Tahsildar in
regard to former years, as Parayancolatoor is one of those villages recently transferred from
that taluq to Madrantikum

No 72 ORDER THEREON, 5th July 1876, No 1,700

IRRIGATION, No 5.

Account

THE Superintending Engineer, Chingle-
put, will arrange with the Revenue officers
under G O, 21st August 1874, No 2,353,
for the clearance of the prickly-pear from
the Parayanoolatoor tank, and for this purpose the rough estimate of Rupees 5,000,
mentioned by the Superintending Engineer as the sum likely to be required, is
sanctioned

Proceedings of the Madras Government, Public Works Department,
5th July 1876 No 1,700

This sanction has been registered as No 56 I, and the following are the
particulars—

Fund—Ordinary Agricultural

Class—Repairs

To be carried out by the *Revenue* Public Works Department

3 An estimate for the complete repair of the tank should be prepared and submitted for sanction as soon as the clearances have been completed

From, P. H. Barlow Esq
Collector of the
Chingleput District

To, Colonel F. J. Moberly R.E.
Superintending Engineer
Chingleput District

Sir, Referring to your No 5072 dated 28th March last I have the honor to forward copy of a letter from the Dy. Sub Collector of Chingleput No 339 dated 20th Instant, and to state that I fully concur in the opinion therein expressed as to the advisability of eradicating the prickly pear on the Parayanicolator tank bund

2. Its retention as an irrigation work is absolutely necessary to less than 7 villages are dependant on this tank for their irrigation and the Revenue under it amounts to Rs 3,500. The Revenue granted for waste for a good year like Fossil 1284 amounts to Rs 1340.

I am Sir
Yours faithfully
P. H. Barlow
Collector

No 329

Chungkut District
Sub Collector's Office
Chungkut 20 May 1876

From,

The Ag. Sub Collector of
Chungkut District.

The Collector of Chungkut

Sir,

With reference to your letter
No 550 dated 5th ultimo, I have the honor
to state that the repairs to the Parayan
Colathom tank contemplated by Colonel
Webber are very necessary and should be
carried out as soon as practicable. The
Tahsildar of Maddurankam considers
that that tank is one of the most im-
portant irrigation works in the Taluk.
The spring pear has now grown to
such an extent that he thinks that, if
immediate steps are not taken for its
extirpation, the strength of the land
may be affected.

I enclose herewith to forward along
with the Tahsildar's Report on the Subject,
the Statement called for in para 2 of
your letter showing the extent of
holding, the amount of Revenue paid,
and of remission granted during the
past

past 10 years. This information would
have been available sooner, only that
a reference had to be made, for it to the
Chungkut Tahsildar, in regard to
former years, as Parayan Colathom
is one of those villages recently transferred
from that Taluk to Maddurankam.
