*Proceedings of the Madras Government, Public Works Department,
5th July 1876. No. 1,715.*

No. 100. Read the following letter from N. St. B. BEARDMORE, Esq.,
Officiating Superintendent of the Madras Harbour Works, to Colonel
W. T. F. FAREWELL, Officiating Under Secretary to Government, Public
Works Department, dated Madras, 23th June 1876, No. 37 W.:—

PRIOR to and during the late Mr. May's illness, the more important business of
the office was carried on by him at his residence at the Club, and at his request a
clerk attended him there, to assist in preparing those reports of progress of the works,
reports on contracts, &c., &c., which were submitted to Government a month prior to
his death. Mr. May accordingly allowed the clerk carriage hire to the Club, and
from the Club to the office on the beach, and the amount included in the contingent
bill for the month of April.

2. The Examiner of Public Works Accounts has passed provisionally the items
of carriage hire, amounting to Rupees 17-8-0, pending the sanction of Government.

3. From the pressure of work that devolved on me, on Mr. May's illness and
death, I myself had to carry on some of the office work at my residence, before and
after office hours, and required the clerk's attendance there; similar expenditure
was incurred. I have, therefore, the honor to request that Government may be pleased
to sanction these and future charges that may be incidentally incurred thereby.

No. 101. ORDER THEREON, 5th July 1876, No. 1,715.

ESTABLISHMENT, No. 11.

THE charges already incurred on
account of carriage hire may, under the cir-
cumstances explained, be finally admitted.

Arrangements should, however, be made that clerks should not, except in cases of
illness to be certified on the bill, have to attend at the Superintendent's private
residence for the performance of public business.
