RESOLUTION.—Certain questions having arisen in connection with the travelling allowances admissible to an officer travelling on duty by State Railways consequent on the substitution of payment by fares for payment by mileage, the Governor-General in Council is pleased to lay down the following rules:—

I.—The following allowances are admissible to an officer travelling on duty by State Railways:—

A member of the Engineer Establishment, or an officer holding an analogous position.	} Two 1st-class fares.
An upper subordinate, or an officer ranking as such.	
A lower subordinate, or an officer ranking as such.	} Two 2nd-class fares.
	} Two 3rd-class fares.

One fare only is admissible when the officer is provided with a free pass or when he travels by trolley, in addition, in the case of an officer employed in the Railway branch, to the charge for haulage admissible under the rules laid down in Circular No. 19 R of 4th April 1872.

II.—To an officer who journeys from one railway station to a point short of the next station, the same allowance as would be admissible if he had journeyed to the next station.

III.—The fact of payment being made by fares instead of by mileage does not affect the minimum allowances and night allowances admissible under Circular No. 19 of 1872 to officers employed in the Railway branch.

IV.—The payment by fare rate is compulsory in all cases when an officer travels on duty by State Railways.

ORDER.—Ordered,

that a copy of the above Resolution be forwarded to the Local Governments and Administrations and the Officers noted on the margin for information and guidance.
