Petition No. 1348 from Mr. J.A. Hammett dated 18th June 1870, praying that Govt. will not allow the sum of Rs 307-4-6 (loss sustained by the sale of inferior materials supplied while he was in charge of the Vizianagram Range) to be deducted out of the arrears of pension which he is to receive.

For orders.

I would not allow the petitioner his claim. He has been in receipt of pension. He ought to have taken care of the property entrusted to him. Mr. Hammett is now in receipt of pension. He has served the Govt. for a long time.

There seems no reason why this sum should be remitted. It was to have been recovered before Mr. Hammett took his pension.

Sir

As my pension papers are sent through you to Government for sanction & as the Examiner of Public works accounts in the last para of G.O.№ 975 dated 12th April last, reminded Government of the recovery of Rs 307-5 from me ordered in G.O.№ 10.459, dated 15th April 1875 I beg to inform you that I am not in the least responsible for the sum as you will observe by a glance over the following & entreat you to be kind enough to intercede with Government in my favor about the recovery.—

In 1870 I was ordered by the — Superintending Engr 1st Division to hand over charge of the Vizianagram range to Sergeant W Spencer - from him it was transferred to Sergeant J Cormac, Superior Baker

I have been struck off the effective list of the D. P. W. on the 10th April 1875 - ever since I have had no pension or pay to maintain myself with - and the advance I asked for I was refused - besides as I was ~~"~~ promised

Petition from Wm J. A. Hammett & } (1st Co. No- dated 18th June 1876)

The Governor in Council observes that the recovery of Rs. 307-6 ordered to be made from Wm Hammett & should have been deducted from the salary due to him while in the service, and not from his pension which is comparatively small. The sum will therefore be remitted, and adjusted in the accounts under instructions from the Examiner.
