*Proceedings of the Madras Government, Public Works Department,
11th July 1876. No. 1,762.*

No. 189. Read the following Proceedings of the Madras Government in the Revenue Department, dated 3rd July 1876, No. 895 :—

Proceedings of the Board of Revenue, dated 23rd June 1876.

Read letter from R. J. MELVILLE, Esq., Acting Collector of Madras, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Madras, 6th June 1876, No. 189.

WITH reference to the Board's Proceedings noted in the margin, I have the honor to submit a plan of the alterations therein sanctioned to the Madras Deputy Collector's office, together with the estimate and specification report of the Department of Public Works.

2. The Board are aware that the alterations are chiefly intended to enable the Police to move round the Treasury room, and this arrangement deprives a few officials* of their existing accommodation. These require to be near the Treasury, and the only space available for accommodating them is the passage hall of the building. A portion of this can be railed off, as shown in the accompanying ground plan of the Deputy Collector's office. The District Engineer estimates the cost of doing so at Rupees 157.
- * The Sub-Registrar.
 - „ Salaried Stamp Vendor.
 - „ Stamp Gumastah.
 - „ Taluq Shroff.
 - „ Label Gumastah.

3. The proprietor of the building is willing to pay this amount to the Department of Public Works and get the work done by them, provided an increased rent of 2 Rupees per mensem be allowed to him. The proposed alteration is absolutely necessary.

THE plan and estimate, amounting to Rupees 2,140, will be submitted to Government with reference to G.O., dated 26th February 1875, No. 318, and 17th May 1875, No. 745, sanctioning the proposed alterations in the building occupied by the Deputy Collector of Madras.

2. It appears that further alterations estimated to cost Rupees 157 are required, and that the proprietor is willing to defray the expenditure, provided his rent is increased by Rupees 2 per mensem or 15 per cent. per annum on his outlay. The Board consider that this small additional sum should be provided by Government, the rent being left undisturbed.

(True Extract.)

(Signed) C. A. GALTON,
Acting Secretary.

THE Government sanction the plan and estimate. Instructions will be issued in the Public Works Department for the early execution of the work.

2. The enhancement of the rent is sanctioned.
