*Proceedings of the Madras Government, Public Works Department,
11th July 1876. No. 1,766.*

No. 196. Read the following letter from Captain L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 26th June 1876, No. 83 W. :—

With reference to the sanction accorded in the Proceedings of Government, No. 1,371, under date 1st June 1876, I have the honor to inquire whether the sanction of Rupees 56-4-4 is to be considered as additional to the amount of Rupees 1,75,917 already sanctioned for land for the Madras Water Works.

2. There would appear to be no provision for the charge in the Budget for this year, and funds should consequently be appropriated by Government to meet the charge.

No. 197. ORDER THEREON, 11th July 1876, No. 1,766.

IRRIGATION, No. 15.
Account.

THE Government cannot furnish the Examiner with the information asked for in paragraph 1 of the foregoing letter. If the land referred to in G.O., 1st June

1876, No. 1,371, has not been included in sanctions amounting to Rupees 1,75,917 mentioned by the Examiner, the sanction of Rupees 56-4-4 is clearly additional.

2. With regard to paragraph 2, the charge will be met from the provision for the Madras Water Works allotted in the order on the Budget Orders of the Government of India; and the Superintending Engineer, Chingleput, will ascertain and report under what heads and sub-heads that allotment is to be distributed, and what sum will be required for land compensation during the current year.
