*Proceedings of the Madras Government, Public Works Department,
17th July 1876. No. 1,797.*

No. 256. Read the following letter from Captain L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 27th April 1876, No. 32-W :—

WITH reference to the concluding sentence of G.O., No. 776, dated 27th March 1876, I have the honor respectfully to inquire whether by Class III I am to understand "Irrigation under minor streams."

2. I ask the question because this is, I think, the first time that this classification has been referred to when sanctioning estimates. The classification, I may remark, has never yet been observed in the accounts, and I was under the impression that Government had recently determined to abandon it.

No. 257. ORDER THEREON, 17th July 1876, No. 1,797.
