Sir

With reference to your Memorandum No 64 dated the 14th Instant I have the honor to inform you that the item of one rupee for a Court fee stamp incurred in 1874 is a separate charge quite independent of the eight annas authorized to be passed in G. O. No 1678 dated the 22nd June 1874. The history of the transaction is as follows.

A Maistry in the Pattikonda Taluq was prosecuted by sanction of

the Range Officer in December 1873
and was acquitted This was the charge
admitted in the G. O above quoted

Again 2 Maistries were prosecuted
in January 1874, under the same authority one
was convicted with 2 Months rigorous
imprisonment and the other acquitted

Memorandum

With reference to the letter from the District Engineer Hurmoob dated 6 December 1876 it is observed that sanction was accorded in L.O. No 1678 dated 22 June 1876 to the admission of a charge of 8 Annas on account of a Court fees stamp in connection with the prosecution of the Maistry of the Patticorda. Subj. sanction is now requested to a sum of 1 Rupee, but no reference to the previous sanction is quoted. It is doubtful therefore whether this is an entirely new item. Information should be afforded on this point. The words ~~apparently~~ to "January 1874" and "February 1874" should apparently be January 1875 and February 1875.
