*Proceedings of the Madras Government, Public Works Department,
25th July 1876. No. 1,894.*

No. 440. Read the following endorsement of the Chief Secretary to Government, dated Ootacamund, 17th July 1876, No. 1,096 :—

From the Venerable C. R. DRURY, Archdeacon of Madras, to the Honorable W. HUDLESTON, Chief Secretary to Government, Ootacamund, dated Madras, 14th July 1876, No. 405. —

THE Committee of the Diocesan Church Building Society in Madras undertook to build a Church at Cuddapah for a stipulated sum according to estimate sent in by Mr. Chisholm.

2. Mr. Chisholm was to build the Church. Various unforeseen difficulties have occurred to delay the completion of the work. I hear on good authority that the timber in the structure has very much deteriorated from exposure, and that the walls are so cracked, that it is doubtful if they will bear the roof when it is put on.

3. Government have paid a considerable sum as grant-in-aid towards building this Church. I therefore submit this statement to Government and earnestly request that the District Engineer at Cuddapah may be called upon to give an exact account of the state of the structure as it is at present, with reference to its capability of bearing the roof.

TRANSFERRED to the Public Works Department in view to the issue of the necessary orders.

(Signed) W. HUDLESTON,
Chief Secretary.

No. 441. ORDER THEREON, 25th July 1876, No. 1,894.

CIVIL WORKS, No. 55.

THE Consulting Architect to Government will be instructed to take an early opportunity of visiting Cuddapah and reporting on the Church in question on his return to duty, which is shortly expected.

2. Mr. Chisholm will ascertain and report the causes of the delay in the completion of this building.
