The circumstances of the tank have been elicited by the correspondence marginally noted, and it may be hoped that in future estimates will be submitted in the first instance accompanied by information on all essential points. The tank had an escape only 23 feet long over which apparently but a foot of water could pass with safety, and

FROM

THE CONTROLLER,
PUBLIC WORKS ACCOUNTS,

TO

*The Secretary to Government,
Public Works Department.*FORT SAINT GEORGE, *23* December 1875.*Sir,*

I have the honor to bring to the notice of Government that out of the annual grant of Rs 600 provided to meet the contingent expenses of this Office, a sum of Rs 586-11-3, as particularized in the enclosed statement, has been expended up to November 1875 leaving a small sum of Rs 11-4-9 to meet contingent expenses for the remainder of the year.

The charges for Telegrams in the despatch by Mail and also of various forms including H.B. Registers supplied to change officers for binding office registers and for the purchase of file boards for office use, are amongst the largest

P.M. 8/18/75

of the items of expenditure incurred.

3. I have the honor therefore
to request that the sanction of the
Government may be obtained
to a special grant of Rs 1000 from
the general savings under establish-
ment to meet the further expendi-
ture that may be incurred during
the remaining portion of the year.

I have the honor to be

Sir

Your most obedient servant
