Proceedings of the Madras Government, Public Works Department, 28th July 1876. No. 1,931.

No. 506. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 19th July 1876, No. 350 :—

I HAVE the honor to submit, for the sanction of Government, an estimate,* amounting to Rupees 9,792, for additional accommodation required for General Stores building at Negapatam on the South Indian Railway.

* With plan No. 779.

2. The Agent, in forwarding the estimate, remarks as follows:—

"The building used at a present for storage purposes is much too small to contain the increased quantity of articles which an increased mileage necessitates being kept on hand. Two or three temporary sheds have been erected to cover stores which cannot be allowed to remain unsheltered, but I wish to dispense with these sheds as soon as possible as they are liable to be destroyed by fire. Other stores have to be exposed in the yard, and although watchmen are employed by night and day, still we feel the want of security which a locked building supplies."

3. The amount of Rupees 9,792 will be met from the provision made in Schedule B of the Budget Estimate for stations and buildings. The sanction will lapse on 31st December 1877.

4. The necessity for this work has been foreseen for some time past, and a sum of Rupees 30,000 was entered against it in the schedule for the half-year ended 30th June 1875, submitted to Government with this Office No. 142* of the 4th March 1875 and sanctioned by the Government of India in their letter embodied in the Proceedings of Government, No. 1,332, of the 10th May 1875.

* *Vide* G.O., No. 791, dated 20th March 1875.

No. 507. ORDER THEREON, 28th July 1876, No. 1,931.

RAILWAY, No. 52.

THE reduced estimate, amounting to Rupees 9,792, for providing additional accommodation for the Store Department of the South Indian Railway at Negapatam is sanctioned as a charge against Capital, Schedule B, of the Budget Estimate of the current year.

2. The above sanction has been registered as Railway No. 8 W. of 1876-77.
