*Proceedings of the Madras Government, Public Works Department,
31st July 1876. No. 1,942.*

No. 527. Read the following letter from Colonel H. DRUMMOND, R.E., Deputy Secretary to the Government of India, Public Works Department, (Railway,) to Major-General G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, (Railway,) dated Simla, 11th July 1876, No. 1,745-R. :—

I AM directed to invite your attention to Public Works Department, No. 302 G.R., dated the 24th February 1873, inquiring whether any of the Railway Companies under the control of the Government of Madras can, after obtaining such information as their Boards of Direction can supply, suggest any system which will afford a more satisfactory means of communication between passengers and Railway Servants in moving trains than the cord system prescribed in the regulations, and stating that failing a better, no relaxation in the existing regulations will be allowed.

2. I am also to request that with the permission of His Excellency the Governor in Council the Government of India may be furnished with a report showing what action has been taken thereon.
