*Proceedings of the Madras Government, Public Works Department,
3rd August 1876. No. 1,975.*

No. 58. Read the following letter from O. A. HAYNE, Esq., Officiating District Engineer, Vizagapatam, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Waltair, 21st July 1876, No. 799:—

I HAVE the honor to bring to your notice that an estimate, amounting to Rupees 37, having been sanctioned by the Master Attendant, Madras, in the latter part of the year 1875-76 for repairs to Santapilly Light-house, I appropriated the necessary funds for the work from the grant (Rupees 300) provided in the Imperial Budget for 1875-76 for "Repairs to Santapilly Light-house buildings."

2. The outlay incurred on the work in 1875-76 was Rupees 14-14-4, and the balance left unspent on the 31st March, out of the sanctioned estimate, amounted to Rupees 22-1-8, which sum I appropriated in May 1876 from the source noted in the margin, in consequence of no provision being made in the Imperial Budget for the current year for the Light-house above referred to; but the Examiner of Public

Works Accounts has objected to this arrangement, stating that the expenditure on Light-houses is to be met from Imperial Budget, and that no appropriation for the work under notice should have been made from Provincial Funds.

3. I therefore request you will be good enough to have a special allotment of Rupees 22 placed at my disposal for the purpose in question.
