*Proceedings of the Madras Government, Public Works Department,
3rd August 1876. No. 1,982.*

No. 71. Read the following letter from T. D. HARRIS, Esq., District Engineer, Ganjam, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Berhampore, 10th July 1876, No. 30 :—

THE Range Officer, Chicacole, having informed me that during the time he was in charge of the district he had to rent a building at Chicacole at the rate of Rupees 30 per mensem for the accommodation of the District Office, as there was not sufficient room in the Range Office for the members of the establishment to carry on the district work in addition to that of his range, I have the honor to request that the Examiner of Public Works Accounts be authorized to pass the charge on the submission of the bill for the same—but I consider the removal of the District Office in such a manner is a great mistake; the Head Clerk should never be removed from the head-quarters of the district, and the office completely disorganized and broken up as it has been in this case.

No. 72. ORDER THEREON, 3rd August 1876, No. 1,982.

ACCOUNT, No. 4.

THE Examiner is authorized to admit the charge.
