Sir,

With reference D.G.O. No. 570 of 15th May 1874, I have the honor to request to be informed whether or no the ruling therein regarding all C.S. officers who commenced service in India prior to the year 1872.

2. That is to say supposing an officer commenced his India service prior to 1872 but had since gone home on duty or on medical certificate and returned subsequent to that year, does the ruling in the above G.O.G. apply to his first or second landing.

3. To conclude it means the first landing as his going home does not alter the conditions under which he first took up service in India.
