No. 82. Read the following endorsement of the Officiating District Engineer, Presidency, dated 28th July 1876, No. 2,296 :—

From J. N. GRAINGER, Esq., *General Superintendent*, Public Works Stores and Workshops, to Major P. MONTGOMERIE, R.E., Officiating District Engineer, Presidency, dated Madras, 27th July 1876, No. 550.

I HAVE the honor to forward two Packing Accounts of Stores per *General Caulfield* for transmission to Government.

2. The Stores for the Public Works Department have been received in good order and condition. Of those received for the Harbour Works, 1,887 casks of cement were landed in fair order, and 52 broken, but as the contents which had spilled had been gathered up and placed in other casks and delivered, there was little or no loss. The contents of the two cases have been found correct and in good condition. Copy of Survey Report is appended.

1 Survey Report.

SUBMITTED to the Chief Engineer and Secretary to Government, Public Works Department.

(Signed) P. MONTGOMERIE, Major, R.E.,
Officiating District Engineer, Presidency.

PROCEEDINGS of a Committee of Survey held at Madras on Tuesday, the 18th day of July 1876, to examine and report on certain stores landed damaged from the ship *General Caulfield* for the Madras Harbour Works.

President.

N. ST. B. BEARDMORE, Esq., Offg. Superintendent, Madras Harbour Works.

Members.

W. E. Fox, Esq., Appraiser, Sea Customs.

Captain C. H. ROWLAND, 2nd Assistant Master Attendent.

The Captain of the ship in attendance on his own behalf.

The Committee proceeded to examine 52 broken cement casks, and finding that this was a portion of a total number of 1,939 casks landed, and that the Captain of the vessel had gathered up the cement that had been spilled, and placed it in other casks, so that there was little or no loss,—did not consider that the ship should be held liable for the damage.
