*Proceedings of the Madras Government, Public Works Department,
5th August 1876. No. 2,003.*

No. 120. Read the following endorsement of the Chief Engineer for Irrigation, dated Ootacamund, 1st August 1876, No. 122 W:—

From Major P. LAMBERT, R.E., Examiner of Railway Accounts, Madras, to Lieutenant-Colonel J. MULLINS, R.E., Chief Engineer for Irrigation, Public Works Department, dated Madras, 20th July 1876, No. 951 I.

I HAVE the honor to submit a statement showing the outstandings on account of Revenue of the Madras Irrigation and Canal Company for the seasons prior to 1875-76 not yet realized in the Revenue Department, and to invite attention to the large sums still shown against the Kurnool district for the seasons 1872-73, 1873-74, and 1874-75, and against the Cuddapah district for the seasons 1873-74 and 1874-75.

2. In this office No. 323 I, dated 16th March 1876, it was reported through an oversight that there were no outstandings of older date than 1869-70, but it will be seen from the statement herewith sent that there are still outstandings for the years 1865-66 and 1868-69 in the Kurnool district.

3. I would also remark that Form E for 1875-76 has not been yet received in this office.
